Reighniel Valeriano

Interaction Design Student · UI/UX · Motion & Video

Sydney, NSW | enyelvaleriano@gmail.com | linkedin.com/in/reighniel-valeriano-696575375

PROFILE

Interaction Design student at the University of Sydney with a Distinction average and a foundation in software engineering. Four years leading a competitive dance crew and producing video content has given me a performer's sense of rhythm, timing and audience, which I bring to designing digital experiences. Interested in UI/UX and interaction design opportunities.

EDUCATION

Bachelor of Interaction Design Feb 2026 – Present
University of Sydney
- Distinction average.
- Expected graduation mid-2028.

Studies in Software Engineering (Artificial Intelligence) Feb 2025 – Feb 2026
Torrens University Australia
- Academic scholarship recipient with a Distinction average.

CREATIVE & LEADERSHIP EXPERIENCE

Founder & Crew Leader 2020 – 2024
MAVERICK Dance Crew, Sydney
- Led a crew of **30+ members**, coordinating rehearsals, schedules and team communication.
- Helped plan, create and manage YouTube content reaching **15 million+ views** and **50,000+ subscribers**.
- Performed in domestic and regional competitions for live audiences.

Creative Director & Videographer 2021 – Present
Dance crew & freelance, Sydney
- Now creative director for a smaller Sydney dance crew, leading concepts and video.
- Delivered **50+ video projects** for events and performances, from planning to filming and editing.

Dance Instructor 2022 – 2023
Kinetic Dance Studio, Sydney
- Taught **200+ students** across individual and group classes, breaking movement into clear, learnable steps.
- Led rehearsals and prepared students for performances.

OTHER EXPERIENCE

Front of House Team Member 2017 – 2020
KFC, Sydney
- Served customers in a high-volume restaurant, balancing speed, accuracy and clear communication during peak periods.
